

RPM Web Mail Access Instructions:

The RPM Web Mail System will allow a RPM Employee to have Full Access to Email without logging in to the Citrix (VDI) System. You can access the RPM Web Mail System anywhere there is a computer with an active internet connection. The RPM Web Mail system will give you full access to your email, email folders and contacts and calendars.

Below are the Steps to access your RPM Web email.

1. Open your internet explorer browser and type <https://exchange.rpm-mortgage.com/> in the address field.
2. Enter your User Name and Password (See Below).

Microsoft®
Outlook Web App

Security ([show explanation](#))

This is a public or shared computer
 This is a private computer

Use the light version of Outlook Web App

User name:
